**1) Income
Eligibility Scale****RFT 270**

Effective November 7, 2021, the Child Development and Care (CDC) Income Eligibility Scale program entry limit is temporarily increased to align with 185 percent of the federal poverty level (FPL). This temporary increase is possible due to additional federal funding.

Program entry will adjust to 160 percent of FPL at a date that is currently TBD, but no later than the end of fiscal year 2023.

Reason: PA 87 of 2021.

**2) Family
Contribution
Amount****RFT 270**

For the dates of November 7, 2021, through September 24, 2022, family contribution amounts are temporarily waived for all children approved for the CDC subsidy; see RFT 270.

Reason: PA 87 of 2021.
